To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

I respectfully request a copy of records, electronic or otherwise, pertaining to FOIA Case 04-F-1563. I have attempted on numerous occasions, to ask for a status on this request, that went well over a decade for processing. However, I never got a response, and despite extensive searches on my end, do not appear to have ever received a final response, yet, this is now marked CLOSED.

I respectfully request all case processing notes, emails, letters, responsive documents, inter-agency communications, etc. that pertain to this FOIA request. I ask that you include all responsive documents, if any were sent, since I never received them to begin with.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.

I forwarded what extracts we had to (b)(6) Director of the Travel Advance Office. They are sort of "keepers of the information", if you will, and may have additional information available for the review. (b)(6)

(b)(6) I laid it on his desk, to review and compile with whatever additional information they might have. Thanks. (b)(6)

Good day. I'm writing to you from OSD's Office of Freedom of Information. I'm the action officer who handles FOIA cases for Executive Secretarial review. (b)(6) recommended you as a point of contact from SECDEF's Personal Security office for reviewing SECDEF's travel schedules that are classified prior to his trips. I'd like to coordinate the following record on SIPR: confidential itinerary, OSD # 76507-04, 12-14 May 2004, 9 pp. I've already (b)(5) and will uphold whatever additional recommendations you or another POC has for this document. Thank you for your time.

Whom would you recommend from SECDEF's "Personal Security" office to conduct a FOIA review on SECDEF Rumsfeld's travel itinerary? I have a confidential itinerary, OSD # 76507-04, 12-14 May 2004. I was preparing this for EXECSEC review, applying recommended (b)(5). However, Jim Hogan of our office (Appeals Chief) told me that SECDEF itinerary becomes declassified once the trip occurs. (b)(5)

Good morning. This is Virginia Treacy from OSD's FOIA Office (I work with Chris Marye). (b)(6)  
(b)(6) This is a courtesy message to let you know that I'll be calling you shortly regarding the following unclassified document (stamped "Personal"), from SECDEF Rumsfeld to President George W. Bush.

SUBJECT: "Rumsfeld's and Myers' Trip to Iraq - May 12-14, 2004," dated May 14, 2004, 1 page.

He talks about their meetings with various motivated military personnel, complimenting their roles in Iraq. Due to this trip's later publicity and the minimal reference to CJCS, this was not tasked to Joint Staff. I'd like to (b)(5)

Thank you!

Paul,

Attached is another tasker package for EXSEC. This requester is seeking documents concerning the SECDEF's surprise visit to Iraq in May 2004. ESD pulled responsive documents and similar to the package I sent the other day, the documents only contain EXSEC equities. Therefore, there are no 472s from any components. I have included the 472 from ESD to show the results of the search. In looking at the documents, there is (b)(5)
