Dear Mr. Greenewald:

This is in response to your May 18, 2004, Freedom of Information Act (FOIA) request, a copy of which is attached for your convenience. We received your request on that same day and assigned it case number 04-F-1563 for tracking purposes. Twelve pages are provided as responsive to your request.

In his capacity as a FOIA Initial Denial Authority, Mr. Paul Jacobsmeyer, Chief, Freedom of Information Division, has determined that the redacted portions of the enclosed records are exempt from release pursuant to 5 U.S.C. § 552 (b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of personal privacy of individuals. MAY 14 2004

TO: President George W. Bush  
CC: Vice President Richard B. Cheney  
FROM: Donald Rumsfeld *Dick*  
SUBJECT: Rumsfeld's and Myers' Trip to Iraq – May 12-14, 2004

For the past three-plus years, I have sent you a two-page memorandum reporting on each of my overseas trips. As I return from Iraq, I am sending you a somewhat shorter report.

We met with the key military, intelligence and detainee leadership. Dick and I believe they are on top of their assignments.

We spoke to the troops at Abu Ghraib prison and later at the First Cavalry Division in Baghdad. They fully appreciate the importance of their assignments. They are convinced they are succeeding militarily. Volunteers all, they are upbeat and proud to be serving our country. One cannot help but be impressed with their remarkable skill, courage and patriotism.

On the way over, I read that a US Senator's website quotes his press release saying, "Shamefully, we now learn that Saddam's torture chambers reopened under new management – US management." That US officials are saying such things is a downer for the troops.

Fortunately, the troops I met in Iraq "get it." Several said that they now refer to Washington, DC as "the Sunni Triangle West," equating our Capitol to the gravest threat area they face here in Iraq.

The next time you feel you would like a "sanity check," get out of Washington, DC and make another surprise visit to Iraq. Being with the troops is an inspiration.

Respectfully,

PERSONAL

Dear General Miller:

It was good to be with you today to learn your plans for the continued refinement of detainee operations. I appreciated your tour of the Abu Ghraib facility and seeing the many improvements you are making.

I enjoyed my visit with the soldiers who are doing the tough and exacting work at Abu Ghraib and doing it so well. I have high confidence in them, and in their leaders.

Please thank those whose efforts supported my visit.
