SUBJECT: <u>LINEUX</u> book and lecture tour		ACTION: []		<p>1. Re paragraph three of reference, Bartolomeo COSTA Azic would be the most logical publisher of <u>LINEUX</u>'s book, as Headquarters has indicated. If, for whatever reason, publication by COSTA Azic is not accomplished, this Station suggests that <u>LINEUX</u> work with both Mr. Daniel and Margarita PAL Parades to select the best publisher for his book. There are several publishing houses here in Mexico which should be interested in books of the type <u>LINEUX</u> is writing in the unlikely event that an agreement with COSTA Azic cannot be reached.</p> <p>2. Re paragraph five of reference, concerning an acceptable sponsor for a lecture tour by <u>LINEUX</u>, the Station has no ideas at the moment. Failing anything else, an arrangement can be made to have the <u>LINEUX</u> group sponsor such a tour.</p>
