C/S Comment: *Present plan in passing info. to Warren Commission is to eliminate mention of telephone taps, in order to protect continuing ops. Requested MEXI requestion LITAMIL-9(2) re just what Silvia Duran and other officials said about Oswald's visits and his dealings.

**LITAMIL-9(2) reported 27 November Silvia back in office 27 Nov. and seemed quite pleased with her performance, and that her account of the interrogation contained little new except police had threatened her with extradition to U.S. to face Oswald.
