The following reliable and confidential sources only have been contacted to determine the reasons why DAVID FERRIE was questioned by the Orleans Parish Grand Jury:

RAYMOND BECK, former Special Agent, now employed by District Attorney JIM GARRISON, Parish of Orleans, advised that he was not personally acquainted with the reasons why DA JIM GARRISON was interested in the investigation of the assassination of President JOHN F. KENNEDY. He advised that he has heard comments in the office that there is a reporter from a national publication, possibly Life Magazine, in New Orleans and it is his personal belief that DA JIM GARRISON intends to expose errors in the Warren Report. BECK cautioned that this was only an opinion and not based on any information furnished to him by GARRISON. BECK stated it was his belief that PERAPING GERVAIS was advising GARRISON on his investigation.

~~PERSHING~~ GERVAIS, PCI and former investigator for the Parish of Orleans, advised that GARRISON is obsessed with the investigation into the assassination of President KENNEDY. GERVAIS stated he told GARRISON to forget the matter and he would not assist GARRISON in the investigation and was not interested in anything GARRISON was doing in connection with this investigation. He stated he has no knowledge of what GARRISON is attempting to prove and the only contact he has had with the investigation has been a call he received from DAVID FERRIE. He stated that FERRIE has been trying to get him, GERVAIS, to arrange an interview with GARRISON, which he has declined to do. LCC

NO 1309-C advised he has been contacted by LEON IVON, Patrolman, New Orleans Police Department, assigned as investigator to the District Attorney's Office and questioned re his knowledge of the activities of W. GUY EBANISTER (deceased), former New Orleans private detective and former SAC of FBI, Chicago. NO 1309-C advised that IVON was interested in obtaining the names of former associates of EBANISTER in various Cuban movements with which EBANISTER was connected and also a photograph allegedly taken by JOSEPH NEWBROUGH, private detective employed by BANISTER, of some jeeps and trucks being shipped to Cuba. IVON was also attempting to locate BANISTER's files. Based upon comments made by IVON, it was apparent to informant that JACK S. MARTIN and JOSEPH NEWBROUGH, both former associates of BANISTER, have been interviewed. LCC

NO 1309-C advised that in talking with IVON it was apparent that IVON was attempting to develop facts which would tend to indicate that a conspiracy originated in New Orleans involving Cuban Nationals and OSWALD for the purpose of assassinating President KENNEDY.

NO 1203-C advised that IVON had in his possession a copy of the Warren Report which reflected an interview in Dallas by the Warren Commission of a woman by the name of "GUDO" (PH). This woman was a Cuban Exile with family apparently living somewhere in Cuba. Informant did not have the actual name of the woman. (It is noted that Esquire Magazine, December, 1966, issue, reflects that a Mrs. SYLVIA ODIO claims she was LCC
