AT ST. LOUIS, MISSOURI

On 12-4-63, SL 1130-C advised SAA HOWARD C. KENNEDY that on the night of 12-3-63, he was talking to JACK BUHLINGLER, address unknown, who is employed as a cab driver by St. Louis County Cab Company. BUHLINGLER remarked to the informant that JACK RUBY, the man who shot LEE OSWALD in Dallas, Texas, was a cab driver employed by the Ace Cab Company at St. Louis "years ago." The informant said that BUHLINGLER indicated to him that BUHLINGLER had been furnished this information by one or more "old-time cab drivers" who used to work for Ace Cab Company, or by veteran cab drivers still at Ace Cab Company.

The informant expressed awareness that several drivers who worked for Ace Cab Company ten to fifteen years are now employed by St. Louis County Cab Company, although he was unable to furnish their names. The informant could furnish no further information concerning this matter and requested that his identity as the recipient of this information from BUHLINGLER be concealed since he did not know whether BUHLINGLER had furnished the information to anyone other than the informant.

With regard to the interview with JOSEPH P. MUETH on 12-4-63, as reflected in this report, the following information was received:

SL 1214-C*, on 12-5-63, advised that MUETH told Mrs. JOSEPH (BARBARA) COSTELLO, owner of Checker Cab Company (formerly known as Ace Cab Company) that he had been interviewed by the FBI regarding the investigation being conducted in Dallas, Texas, and that he had been questioned as to whether RUBY had ever been employed as a driver with the company. Mrs. COSTELLO exclaimed, "RUBY!", and asked, "What did you tell them?" MUETH stated he told the FBI that RUBY had never been employed there to his knowledge. Mrs. COSTELLO then indicated to MUETH that what MUETH should have told the FBI was that RUBY was employed there and that he should have told them that "about two days before that happened he must have taken a plane down there."
