INFORMANTS

The Omaha Office advised on November 23, 1963, that former NY 842-C had telephonically contacted SA JOHN R. ANDERSON from Chicago and advised as follows:

He had in the recent past been associated with an INA or ENA (LNU), who he described as a very active and fanatic member of the Fair Play for Cuba Committee (FPCC). This girl traveled to California and Texas in connection with FPCC activities. The girl had worked as a barmaid at the Seville Bar, 71st Street and Columbus Avenue, New York City, and had regularly met with other FPCC members at the Crystal Bar, 71st Street and Columbus Avenue, New York City. He furnished a description of this individual and advised that he did not know of her whereabouts or activities for the past two weeks, or if she had any connection with the assassination of the President.

Investigation was conducted to identify INA or ENA and informants contacted in the New York area familiar with FPCC activities were unable to furnish any information.

The possibility existed that she was identical with ADA MARIE DRITSAS, born October 22, 1936, New York, Bufile 100-431305, New York file 100-137717, believed in Havana, Cuba. No active investigation was conducted at the Seville and Crystal Bars, New York City, inasmuch as there appeared no need to determine the whereabouts of all FPCC speakers at that time.
