Enclosed letterhead memorandum has been classified "Confidential" because it contains information from the above current sources of the FBI. It is felt the unauthorized disclosure of information attributed to these sources could compromise these sources and thus be injurious to the national defense.

Two copies of this communication are being forwarded to the Dallas Division in view of their interest in this matter.

For the information of the Bureau, subject's lecture series entitled "Who Killed Kennedy?" starting 8/25/64, will be covered in a future letterhead memorandum.

The pretext on 8/11/64, was conducted by SA RONALD S. YOUNG of the Citizens' Committee of Inquiry, 155 5th Avenue, NYC, under the guise of being a person interested in attending a LANE lecture.

Investigation continuing at New York.
