ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY, 11/22/63
DALLAS, TEXAS
      (Newark file 02-23000)

Re Newark radiogram to Bureau dated 11/27/63.

JOHN NABARA, Rural Carrier, Post Office, Baya Landing, New Jersey, advised MA THOMAS C. MULLIN on 11/27/63 that at about 11:00 a.m. on 11/26/63, he personally delivered to WALTER LOWEFELS an airmail postage due letter and as he was handing the letter to LOWEFELS, he first noticed that the envelope bore the printed return address, "Parkland Hospital, Dallas, Texas" in the upper left-hand corner. He stated that the words, "Parkland Hospital" were crossed off and a name, unrecorded, was typed above.

NABARA remarked that the envelope was a white business type envelope approximately 4" by 6" in size and was addressed to "Walter Lowefels, Parkland Hospital, Baya Landing, New Jersey". He said that the envelope was somewhat bulky and had eight cents postage due on it. He then remarked in connection with the "Parkland Hospital" that LOWEFELS commented that he was judging some sort of a contest and that the letter had arrived after the closing date of the contest. NABARA added that prior to 11/26/63, he had seen LOWEFELS at his, LOWEFELS', residence on Saturday, 11/23/63.

GEORGE FLECK, Clerk, Post Office, Hays Landing, N.J., advised SA BATTLE on 11/31/63, that he recalled placing a postage due stamp on a letter to be delivered to WALTER LOYNFELD on 11/26/63. He stated that upon arrival at the Hays Landing Post Office, this envelope bore the printed stamp of "Postage Due" which would have been put on the envelope by a clerk dispatching outgoing mail at the Post Office in Dallas, Texas. He said that he paid no particular attention to the envelope and does not recall noticing the return address of "Parkland Hospital, Dallas, Texas." He added that he did not make any record of this postage due letter inasmuch as postal regulations do not require that it be done.

KE 2023-6, who has furnished reliable information in the past, was last contacted by SA BATTLE on 12/2/63, and at this time said he visited the LOYNFIELD residence on 12/1/63 and in conversation with WALTER LOYNFIELD, was unsuccessful in developing any information regarding LOYNFIELD receipt of the correspondence bearing the return address of "Parkland Hospital, Dallas, Texas." He said that LOYNFIELD did express himself as feeling that the assassination of President KENNEDY was a great tragedy.

Informant stated that during the course of the visit, LOYNFIELD was busy reading and judging poetry which had been mailed to him by individuals from all over the US. He said that the name "Kennedy Award" is not familiar to him, but he would assume that it probably had some connection with LOYNFIELD judging of poetry sent to him through the mail.

Informant remarked that on several occasions when LOYNFIELD left him study to care for his wife, LILLIAN LOYNFIELD, a semi-invalid, he had an opportunity to make a cursory search for the envelope bearing the return address "Parkland Hospital, Dallas, Texas," but was also unsuccessful in this effort.

A high confidential source survey has been conducted and does not appear feasible at this time due to the fact that LOYNFIELD's wife is an invalid and does not leave.

Source will remain alert for any opportunity to develop a highly confidential source.
