REFERENCES:

Mexico City letter dated 3/11/64, entitled "REVA FRANK BERNSTEIN, SM - C" (Bufile 100-343413, DE file 100-1817, MC file 100-2363) and "JOSEPH BERNSTEIN, SM - C" (Bufile 100-688253, DE file 100-1817, MC file 100-2367); Dallas airtel to Bureau dated 3/19/64, with triple caption of instant case; "LEE HARVEY OSWALD, aka, IS - R - CUBA" (Bufile 105-82555, DL file 100-10461); and "JACK L. Referenced Bureau cable set forth that additional instructions were being submitted to the New York and Detroit Offices. The Mexico City Office is not in receipt of these instructions, and it is suggested, if it has not already been done, that the New York and Detroit Offices be instructed to

proceed carefully in any investigation of this matter in order not to compromise MEX-18 and MEX-19, agents operating in Mexico.

That cable requested that MEX-18 and MEX-19 be pinned down regarding specifics. These informants were recontacted on 4/2/64 and furnished the additional details set forth in the enclosure. These informants have explained that, inasmuch as REVA FRANK BERNSTEIN (Bunfile 100-343413, MC file 100-2363) and JOSEPH BERNSTEIN (Bunfile 100-68623, MC file 100-2367) are not presently in the Mexico Area, further details are unavailable. Also, as is pointed out in the enclosure about REVA FRANK BERNSTEIN, the informants advised that the BERNSTEINS, as well as ELIZABETH CATLETT MORA (Bunfile 100-395934, MC file 100-939), are not individuals who will answer direct questions and, when questioned directly, they are known to terminate the discussion.

With regard to documentation in the enclosure on GEORGE WILLIAM CROCKETT, JR. (Bunfile 100-367743, MC file 100-1820), it is noted that the Mexico City file is incomplete on this and that the Bureau has access to proper documentation.

With regard to EVA WIDERMAN, it is noted that MEX-18 and MEX-19 had no information regarding her.

**SOURCES:**

The confidential source mentioned in enclosed letterhead memorandum is MEX-18 and MEX-19 (MC file 134-10A), who were contacted by SA NATHAN L. FERRIS on 1/8, 21; 2/6, 13, 26; 4/2/64.

The second source is NY-384-S.

The third source is CSNY-2551-S (Address of ELF).

**CLASSIFICATION:**

The enclosed letterhead memorandum is classified "SECRET" to protect MEX-18 and MEX-19, who are informants in Mexico furnishing highly sensitive information involving espionage and information vital to the internal security of the United States. It is essential that the identity of these
informants be fully protected especially since they are the only source which received the information from ELIZABETH CATLETT MORA, REVA FRANK BERNSTEIN, and JOSEPH BERNSTEIN, who are not known to have discussed the information in the letterhead memorandum with anyone else. Under the circumstances, the protection of these informants is of paramount interest to the continued operation of the Bureau in Mexico, and for this reason the letterhead memorandum is classified "SECRET".

COPIES:

Twenty-five copies of the enclosed letterhead memorandum are being designated for Dallas, the domestic office of origin, according to instructions set forth in referenced Dallas airtel.

Ten copies of the enclosure are being forwarded to the Bureau inasmuch as referenced Bureau cable instructed that the results of reinterview with MEX-18 and MEX-19 be incorporated into a letterhead memorandum suitable for dissemination to the President's Commission.

Inasmuch as the Detroit and New York Offices are being furnished additional instructions by the Bureau, one copy of the enclosed letterhead memorandum is being furnished for the information of each of these offices.
