[REDACTED]

ReBulet to MICHAEL L. TOBIN, Delafield, Wisconsin, 1/30/62, with enclosure.

MM 639-S on January 30, 1962, advised GERALD PATRICK HEMMING on January 12, 1962, left for California for purpose of trying to raise money for anti-CASTRO activities. Informant feels certain HEMMING will return to Miami, but does not know when. Informant estimates HEMMING will be back in two or three weeks, and does not know HEMMING's present address in California.

FLA

It is noted that on July 2, 1961, HEMMING held a parachute demonstration at Davie, Florida, and received considerable publicity. As a result local Miami newspapers received a volume of mail addressed to HEMMING from young men throughout the country. HEMMING thereafter devised a form letter in answer to inquiry about his organization. It appears that enclosures furnished by TOBIN is a form letter by HEMMING in response to a letter by TOBIN's friend.
