INTERVIEW WITH ALFRED AND NATHALIE LILLY

On September 20, 1954, ALFRED LILLY, 432 West 5th Street, Plainfield, New Jersey, Phone Plainfield 6-7767, telephonically contacted SA BILL WILLIAMS and advised that he had some information concerning a person whom he suspected of being a Communist.

On September 20, 1954, SA BILL WILLIAMS interviewed ALFRED LILLY and his wife, NATHALIE LILLY, nee COX.

ALFRED stated that for six months or more, LENORE KANTOR, who works at UNITED PLUMBING AND SUPPLY COMPANY, 35 West Front Street, Plainfield, N.J., as a secretary, has been visiting their home and is very friendly with NATHALIE. He said that KANTOR is very good to his children and often brings them books and gifts, but he believes that she is a Communist. He feels this way because of literature which she distributes, which literature is written by CP leaders, and some of which concerns race and labor agitation. He said KANTOR does not believe in God and often argues this point with his wife, who firmly believes in God. He advised that KANTOR drops into their home on almost any occasion to see his wife. He stated that he would be interested in stopping these visits if at all possible.

NATHALIE LILLY advised that she first met KANTOR at a civic function of some sort and since then KANTOR has tried to make herself a friend of NATHALIE. She stated that she believes KANTOR is a Communist for the same reasons as does her husband. She said that KANTOR apparently confides...

in her on many matters, with the exception of KANTOR's possible  
Communist activities. NATHALIE also knows of the KANTOR  
family. NATHALIE furnished the following information regarding  
KANTOR:

LENORE KANTOR's family are well aware that LENORE is  
a Communist, and they are bitterly against Communism but their  
love for LENORE keeps them from making her leave home. They  
often speak of how bad it is that LENORE thinks as she does,  
according to LENORE. LENORE's father, ABRAHAM KANTOR, owns  
the UNITED PLUMBING AND SUPPLY COMPANY. LENORE's mother is  
ROSE KANTOR. LENORE's two brothers are MARVIN KANTOR and NORMAN  
KANTOR. MARVIN is partially paralysed and NORMAN once ran for  
Plainfield City Council. LENORE was in love with a man who  
lives in Mexico, but a girl from the New York-New Jersey area  
was going to marry him, names unknown. LENORE spends much of  
herself distributing literature and booklets described  
by ALFRED LILLY. In the Fall of 1953, Mrs. LILLY told LENORE  
that she was going to Milwaukee, Wisconsin, for a visit. LENORE gave her $50.00 and told her to stop at  
Chicago, Illinois, and attend a conference of the National  
Negro Congress, which was being held there. Mrs. LILLY  
registered at the conference but did not stay for the meetings.  
Apparently, LENORE seems to have all the money she needs.  

The Bureau's jurisdiction in Internal Security matters  
was explained to the LILLYs. Mrs. LILLY said that she  
would continue friendly relations with LENORE and would see  
if she could determine any of LENORE's activities in the field  
of Communism, and would advise the Newark Office.

It is noted that LENORE KANTOR is the subject of an  
SM-C investigation in the Newark Office, Bureau file 100-367098,  
Newark file 100-31013. KANTOR's file reflects that she was  
a member of the CP as late as 1950, at which time the informant  
left the Party, and LENORE has been a member of the CP since  
about 1945. The file also shows that she has recently been  
in Mexico, where she met WALTER LILLESLEY, alleged agent of  
the Chinese Communist Government.

The information in the file corroborated the information  
furnished by Mrs. LILLY.

Mrs. LILLY appears to be a high type Negro woman, has  
a high school education, and appears to be very intelligent and  
sincere in cooperating with the FBI.

CONTACT WITH NATHALIE LILLY ON OCTOBER 12, 1954

On October 12, 1954, NATHALIE LILLY was contacted by SAs BILL WILLIAMS and ROBERT J. KIRWAN to secure additional information regarding her background. She advised that she is presently Corresponding Secretary of the Plainfield Chapter of the NAACP, but that she knows of no Communist infiltration. She advised that she has seen LENORE KANTOR two times since September 20, 1954, having seen her on October 12, 1954. She said that just prior to the contact by the Agents on October 12, 1954, LENORE had brought a letter to her, which letter protested against Universal Military Training. LENORE wanted her to send the letter to the Editor of the Plainfield newspaper with NATHALIE's name as the author. NATHALIE told LENORE that she would think it over. NATHALIE advised that she does not think she will send the letter to the editor as it might jeopardize her position.

The Agents were impressed with NATHALIE's intelligence, cooperation, and viewpoint, and feel that she is in a good position to furnish information of interest to the Bureau, especially regarding LENORE KANTOR. It is also felt that she may be activated into the CP or a Communist front organization.

Authority is requested to contact NATHALIE LILLY as a PSI. It is not believed that ALFRED LILLY is in a position to furnish information, inasmuch as LENORE KANTOR does not get along with him too well.
