enjoyed publicity and one who wouldn't keep confidential any interview conducted by the FBI. It was SA MC QUEEN's opinion that BURNS would possibly use any interview with the FBI for his own political gain. Because of BURNS' political position in the past and his possible return to politics in the future, plus the fact that BURNS appears to possess no informant potential, it was concluded by SA MC QUEEN that no interview of BURNS should be made at this time.

In view of the above, BURNS is not being considered for interview by the Chicago Division.

For the information of the Bureau, LEE CORNELL,
7325 Elmira Avenue, Des Plaines, Illinois is identical with RICHARD LEE CORNELL, Bureau file 105-134462, Chicago file 105-17732, captioned "RICHARD LEE CORNELL IS-CUBA."
