[R] - ITEM IS RESTRICTED 104-10073-10095
Provisional Operational Approval is granted for the use of this subject as requested in referenced memorandum.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as an agent as the authority granted in an Operational Approval. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is complete.

An Operational Approval will follow when all investigation is completed. To process the Operational Approval, full information (completed PRQ Parts I and II) must be submitted as soon as possible and not later than six (6) months from this date.
