1. Our present plan in passing info to Warren Commission is to eliminate
mention of telephone taps, in order protect your continuing ops. Will rely
instead on statements of Sylvia Duran and on contents of Soviet consular file
which Soviets gave earlier. File shows both Oswald and wife were dickering
with Soviets in Washington by mail to get permission to return to Russia.

2. Exact detailed info from litamils 7 and 9 on just what Sylvia Duran and
other officials said about Oswald's visits and his dealings would be valuable
and usable corroborative evidence. Request you request them carefully on
these points, attempting get as much authenticated info as possible, without
mixing in what they know from newspapers. File came straight and four
revised statements.

C/S Comment: *Re interrogation of Sylvia Duran.
