These men are also part of the migrant workers in Arizona, i.e., Arizona/10. As such, it is essential for them to be part of the coordination team for the planning and execution of the Arizona/10 project. They have been chosen due to their expertise and experience in this area.

A new plan to recruit for Arizona/10 was not successful. We need more information and material with them. We need to work on this.

They have been chosen due to their expertise in the Arizona/10 project. They will be responsible for the implementation of the plan. As with the state from New Mexico/10 go and gather the facts and figures with Arizona/10. We also told Arizona/
