SECURITY INDOCTRINATION AND SECRECY AGREEMENT
BYEeman CONTRoL SYSTeM, BYECOM APPROVAl

A special system of security and control, known as the BYEeman Security and Control System, has been established by the Director of Central Intelligence for the purpose of providing maximum security protection to a number of extremely sensitive intelligence collection projects. Each of these projects requires a separate, special security approval for access. In your official capacity in connection with U. S. Government communication systems you have been granted a BYECOM approval which permits you to perform your official duties as regards BYEeman projects in general, without regard to the necessary separate special security approvals. Strict adherence to the BYEeman Control Manual and all supplemental directives must be adhered to in the handling of BYEeman materials or information. You are requested to read and sign the Secrecy Agreement and Oath.

1. In connection with my indoctrination into the BYEeman Control System, I acknowledge my full understanding of an agreement with the following provisions:

   a. Security restrictions and penalties for violations of the BYEeman Control System, to which I am subject, are covered under Title 18, Sections 792, 793, 794, 795 and 797, U.S. Code and Section 19 of Public Law 831, Internal Security Act of 1950.

   b. It is my responsibility to ascertain that persons with whom I may have reason to discuss materials or sources of BYEeman activities to any degree have also been properly cleared and designated to receive and discuss BYEeman information.

   c. By reason of my BYEeman clearance alone I do not have access to all BYEeman information or materials but only those required on a "MUST KNOW" basis.

   d. I will report to the BYEeman Security Officer immediately any violations of BYEeman regulations of which I become aware.

   e. I will advise the BYEeman Security Officer of any personal changes in my status or assignment.

   f. No change in my assignment will relieve me of my obligation under oath and that the provisions of this oath remain binding at all times.

2. I do solemnly swear or affirm that I will never divulge, publish, or reveal either by word, conduct, or by any other means any classified information, intelligence, or knowledge relative to BYEeman sources except in the performance of my official duties and in accordance with the requirements set forth in the BYEeman Control System Manual or supplemental directives.
