MEMORANDUM FOR:    Deputy Director, Office of Security

FROM   : Raymond A. Warren  
         Chief, Latin America Division

SUBJECT : Vladimir Rodríguez Lahera

1. The House Select Committee on Assassinations (HSCA) has requested that we arrange an interview for them with Subject (former AMMUG/1) who defected from the Cuban Intelligence Service in 1964. Subject is now a U.S. citizen and entered the U.S. under PL 110.

2. Subject's last known address was 2931 SW 19th Terrace, Miami, Florida, telephone (305) 443-3027. Henry S. PACHANKIS (P), a career associate assigned to LA/Miami Station, was Subject's contact in the Miami area. PACHANKIS attempted to locate Subject; however, the telephone had been disconnected and a visit to Subject's residence revealed that he had moved and left no forwarding address. The post office box established for Subject's use was serviced and there was no communication from Subject notifying us of his change of address and/or phone number.

3. The HSCA considers their interview with Subject to be extremely important and your assistance in locating the whereabouts of Subject through your Miami office on a priority basis would be most appreciated. It is requested that no contact be made with Subject when his whereabouts is ascertained since we prefer to have someone whose bona fides is established contact him and arrange for the HSCA interview.
