Bern, Andersson or Gisson to support this hypothesis.

Recent info (probably from phone taps) indicates Andersson not on good terms with pro-Chinese Swiss commie group.

Check indicated college is regular Swiss secondary school run by clergyman who friend of Swiss attorney general Fuert and who enjoys good reputation. No inanition info re this aspect Oswald history other than that cited ref C.

7. After review various actions possible I-20 agreed take full action.
A. Continue phone coverage of Gibson and
undertake any other coverage, incl. surveillance, which
INANITION inspector handling case (probably 132) considers
feasible.

B. Inanition will provide transcripts of Gibson
phone tap in original French language soonest feasible
after conversations. Reports including transcripts and
other Inanition comments will be passed directly to
ODENVY rep who will pass copy to ELMARD and discuss contents.

C. Coverage of Andersson (which may already
include phone tap; in fact possible original tap was on
Andersson phone and Gibson tap added later) will be
intensified.

D. Inanition will try further clarify relations-
ships among Gibson, Andersson, Chicom and other persons
associated with Revolution magazine, with special attt to
any info possibly indicating any Oswald contacts not already
reported.

8. Consider results NSTCR very satisfactory. I 20
and I 6 obviously shaken by Kennedy death and pledged
all possible aid to try clarify background of assassination.
They reassured by ODENVY rep and ELMARD that none
of info passed to coyoke reps would be used as evidence.
