1. Following are Headquarters traces on personalities involved in the Robert K. BROWN Case requested in Reference A, keyed to the order in which they are listed in the reference.

A. Paul RICHARDSON - This person may be identifiable with Paul RICHARDSON (201-511986), alias for Paul Kuhlman HEIM, DPOB: 18 April 1930, Greensville, Pennsylvania. He was described in 1968 as white, 6 ft., 2½ inches; 175 pounds; black hair, greying and balding on top; blue eyes, wears glasses for reading; lean build; appeared in good physical condition and dressed well. Was an aviation consultant and pilot. He was dropped from LNLEVY on 1 May 1967 with prejudice. In March 1967 HEIM advertised in a U.S. aviation trade newspaper for a co-pilot or co-pilot mechanic to fly primarily in Europe. HEIM inferred to a candidate (informant) that he was connected with JKLANCE overseas and that he was an officer in the LNLEVY reserve. Upon arrival in Zurich, Switzerland in April 1967, HEIM told the candidate that he would not be employed by Transair as previously indicated.

but as a pilot for Count Z A N O N (AKA ZENON and ZANNON),
and a Giorgio M O N D A D O R I, Z A N O N was reported
to be a banker, and M O N D A D O R I a publisher of magazines
and books. The 11 June 1971 issue of the Washington Post
carried the obituary for Arnoldo M O N D A D O R I, Italy's
number one publisher who retired two years previously leaving
the publishing house in the hands of his son Giorgio. Yearly
sales were said to average 120 million dollars. On the above
mentioned trip to Zurich, H E I M was involved in smuggling
a large trunk (contents unknown) through customs in Torino,
Italy by bribing the officials. H E I M purchased a King Air
Beechcraft in May 1966 valued at approximately 500,000,
which was registered to him for tax purposes but owned by
two wealthy Italians. H E I M's U. S. business address in
1968 was Paul K. H E I M, Aviation Consultant, Hays Street,
Gettysburg, Pa. 17325. The foregoing was based on LNERGO
reports.

B. Monmouth Medical Center - NPIL.

C. Seale R. D O S S - NPIL.

By memo dated November 1967, WOMACE requested LNERGO
procure a list of toll calls made from the office of Panther
Publications in Boulder, Colorado, and a similar list of toll
calls made from the home of Robert K. Brown. This request
was made as a result of Brown's harassment of JKLANCE
with the avowed intent of publishing a book exposing JKLANCE
operations. LNERGO advised that there was not sufficient
indication to justify an investigation falling within LNERGO
jurisdiction, thus the request was never serviced.

E. Leon G A H I A L A I N E - NPIL.

F. John H. D E M P S E Y - NPIL.

G. Mary C. D E M P S E Y - NPIL.

H. William J. D E M P S E Y. It appears likely that
this subject may be identifiable with one William John D E M P S E Y,
aka Bill, DFOE: 15 February 1941, Canada. In May 1969 he was
described as blond hair; single; maintenance worker; Canadian
citizen; left arm 4 inches shorter than right arm. He went to
the Miami area in about 1961. Claimed to be a veteran of the
Canadian Army. He became involved with American mercenaries
and adventurers who formed a group under Gerald Patrick
H E M M I N G, veteran of the U. S. Marine Corps, previously
reported in Brown traffic. This group volunteered their services
to various Cuban exiles who were then planning military expeditions
to overthrow the Government of Cuba. Most of the persons in the
group had criminal records and under police pressure left the
Miami area. D E M P S E Y has been involved in Cuban and
Haitian matters since that time. He has been a technical advisor
to many Cuban exile groups concerning plans to infiltrate
and launch missions against Cuba. Was involved with Rolando
M A S F E R R E R Rojas, et al, implicated in invasion of
Haiti in 1966. The participants were arrested by LNYAPA
officials, but D E M P S E Y evaded apprehension. In March 1969
he was arrested and incarcerated in Monroe County Jail, Key West, Florida, along with eleven other persons, in connection with an accident at a secret military camp discovered in the Florida Everglades, allegedly being used by Haitian exiles preparing to invade Haiti. DEMPEY was the commander in charge of operations and training. DEMPEY and the other camp commander, Edmund KOLBY, were in charge of disbursements. In June 1969 DEMPEY participated in a bombing mission at Port-Au-Prince, Haiti, was deported from the Bahamas to Miami and arrested there by LNYAPA agents. He later was returned to Canada but was not prosecuted. In September 1969 DEMPEY advised an LNERCO informant that he still resided in Canada and was associated with an American (not further identified) who was then writing a book about the assassination of President Kennedy.

I. Mrs. M. DeMELLO - This no doubt is the Mrs. Manuel DeMELLO given by BROWN as his mother and emergency address when BROWN was issued a regular passport in September 1966 for travel to Denmark, England and France on business. See paragraph 4, JMWAVE 9027 dated 1 September 1967 (201-183473).

J. Chicago Sun Times = NPII.
K. Mrs. Drew PEARSON - NPII.

Robert Bruce MILLER - lawyer, Boulder, Colorado. DOB: 1940;
first admitted to the bar in 1966. Received B.A. and J.D. degrees from the University of Colorado at Boulder.
M. Denver Post Newspaper Switchboard - NPII.

N. Military Armament Company - as of December 1970 had about 12 employees including four machinists who worked under the direction of Gordon INGRAM. It is a subsidiary of Environmental Industries, Inc. a Washington, D.C. corporation reportedly bankrolled by some of the East's most prominent investment houses. Also tied in with Environmental Industries is SIONICS (Studies in Operational Negation of Insurgency and Countersubversion), organized in 1967, also located in Powder Springs, Ga., which makes specialized light weapons for LNGLUE and other countersubversive forces around the world. Director of international operations of Environmental Industries, Inc. President of Military Armaments Co, and Vice-President of SIONICS is one Mitchell Livingston WER BELL III (201-259910) well-known to JKLANCE and characterized as unscrupulous, a "wheeler-dealer" and a promoter of grandiose schemes. WER BELL initiated contact with both overt and covert JKLANCE officers in the later 1950's and mid-1960's to pass information on revolutionary matters in the Caribbean area which was of little value. On occasion he has intimated JKLANCE support or affiliation but has never been used by JKLANCE. Has appeared in Brown traffic re anti-Castro activities from Miami.

O. Anderson & Cristofani Marine Ways = NPII. NPII on Walter A. ANDERSON or Alf CRISTOFANI.

P. Simon & Schuster, Inc. An LNERGO report dated January 1953 reflects that the Simon & Schuster firm in New York City had a contract with an Amos L A N D M A N, U.S. citizen, free lance writer, and one time Communist party member, to gather material in Red China to write a book entitled "Behind The Bamboo Curtain."

Q. Publishers Development Corporation — NP II.

R. Mrs. Bernice F O S T E R - NP II.

S. John T. D U N C A N —

A Tom D U N C A N is cited in previous S L A F T E R traffic (DBA-28117, 19 November 1962) (201-309125) as one of a group of men headed by Gerald Patrick H E M M I N G training on the Key. He was the owner of a newspaper in Moore Haven, Florida and appeared to be handling publicity and public relations for the group.

One John Thomas D U N C A N (201-841921) was contacted and assessed in July 1968 for use as a reporter/announcer for the AMWIDE production facility. D U N C A N accepted the AMWIDE job after a visit to Miami in August 1968 and discussion with J K L A N C E officials; however, in a follow-up contact with a Headquarters officer in October 1968, declined the position.

One Richard D U N C A N (UFAT-345), 6 January 1968 associated with Time Magazine, Columbus, Georgia, assisted B R O W N in regard to research work in the Miami area re Melmar and Zenith Corporations. Also see UFGA-29143, 18 December 1967 (201-823964).

T. Wet Offset Publication Corp & Web Paper Sales Co. — NP II.

U. C&P Telephone Company, Washington, D.C., — NP II. The telephone number cited in ref A is not listed in the Washington, D.C., Virginia or Maryland Directories; however, two different calls placed to that number identified it as a D.C. C&P Telephone number, office of Miss T H O R N. A Miss R O S S answered the phone.

V. Warren J. H I N C K L E. This undoubtedly is Warren James H I N C K L E (201-817303) born 12 October 1938, San Francisco, California; graduate of the University of San Francisco; editor of Ramparts Magazine in 1964; and elected President in a bitter intramural struggle for control of Ramparts in May 1967. The cover of the December 1967 issue showed the burning of draft cards of H I N C K L E and three other Ramparts officials. H I N C K L E was presented the Emergency Civil Liberty Committee’s (ECLC) Tom Payne Award at the annual ECLC Bill of Rights Dinner in New York City in December 1967. He reportedly spent some weeks in Prague prior to Rampart’s exposure of J K L A N C E and upon return the Rampart’s deficit was settled. He resigned as President and Editorial Director of Ramparts in January 1969 when the magazine went bankrupt. He began the new monthly magazine, Scanlan, with two New York Times staffers. The first issue was published in March 1970. He reportedly is a heavy drinker of scotch whiskey.
Per WH/Miami 10769, 17 March 1971, B R O W N's file, Scanlan Magazine has expressed an interest in purchasing the publication rights to the chapter of B R O W N's book entitled "The Phantom Navy."

W. Military Armament Company - previously listed on page three of Ref A.

X. Doris P A T Z - The files reflect that a Doris P A T Z, born 27 June 1949 in Berlin, Germany, West German citizen, was a LNLEYV counter-intelligence recruitment lead in March 1967. Her address at that time was 22 Prinzenstr., Berlin, West Germany.
