Operational  
Request for Field Traces and Investigation  

1. In connection with the issuance of a Covert Security Clearance for a Career Agent, IDENTITY-A, being used in another area, KUSODA has requested that full overseas traces and such actual overseas investigation as is possible be conducted on IDENTITY-A and on his wife, IDENTITY-B, and her family.  

2. Headquarters files contain a report dated December 1944 concerning IDENTITY-B and her sister, IDENTITY-C, who are believed to be identical with IDENTITY-A's wife and sister-in-law, respectively. According to the report, the above-mentioned individuals (IDENTITIES-A and -B) were described as Costa Rican citizens then in Panama under suspicion and members of the Russian Ballet team of Pedro and Lidia CHUPRINE. IDENTITY-B is known to speak and understand German. She was formerly married to Pedro MARZAL, reportedly a German national and formerly on both the British and U. S. Proclaimed List. She is reliably reported to have made pro-German remarks and is pro-German in her sympathies. It was further reported that both IDENTITY-B and IDENTITY-C had at times attempted to secure information from members of the PRIME Armed Forces.  

3. The addresses are requested to comply with the aforementioned instructions, as promptly as possible, and, at the same time, attempt to negate or confirm the information set forth above.
