Mr. David G. Marwell  
Executive Director  
Assassination Records  
Review Board  
600 E Street, NW  
Washington, DC 20530  

Dear David:

In response to your letter of May 1, 1996, this is to request that two documents acted on by the Board at its 16-17 April meeting be reconsidered so that the postponements within them conform to previous Board determinations.

The two documents, Nos. 104-10019-10022 and 104-10019-10023, dealing with Oswald's activities in Mexico City, are duplicates of documents previously reviewed by the Board. Due to a technical error committed by our reviewers as they were preparing the documents for release, certain information was not marked for postponement. The information in question concerns details of a sensitive activity that has been consistently protected in other documents.

Sincerely,

John F. Pereira
