Negotiation Now!

We support the call by U Thant for new initiatives to bring about negotiations among all parties to the conflict, leading to a political settlement of the Vietnam war.

We call upon the United States, the most powerful nation in the world, to take the first step and end the bombing of North Vietnam now and without conditions. We ask our government to take further initiatives leading to a standstill truce.

We ask North Vietnam and the National Liberation Front to respond affirmatively to any new United States initiatives and to join with the U.S. in a standstill ceasefire.

We ask South Vietnam to respect and join in these steps.

This course of action presents to the United States a moral alternative to our stated policy of bringing about negotiations by force, or to the devastation of all-out war, and a more realistic alternative than unilateral withdrawal.

We believe that such initiatives now can break the impasse and lead to negotiations and a political settlement providing for the removal of all foreign troops and for genuinely democratic elections in which all South Vietnamese can participate freely.
