Subject: General: Operational/ PG 107 JCA

Specific: Information concerning Idem A

ACTION REQUIRED: None

In answer to request of Gregory O. SARGENT, the following is a composite of information from WILLIAM P. ELLIS (TUSPUB) (IDEM B) and WILLIAM M. WILKINS (IDEM C) concerning Idem A.

1. Description of subject: between 35 and 40 years old, about 6 feet tall, rather bald, small mustache, very strong and vigorous, fine white teeth, Jewish. Speaks quite good English. He is married and has one 9 or 10-year old daughter. He has a sister in New York who is a naturalized American citizen. WILKINS says subject speaks well, loves fine music, has an impressive library, reads continuously and paints very well.

2. Early during the war he was deported as a Jew to a German concentration camp (detained prisoner's identification number on right fore-arm—9774), where he spent several horrible years and survived only by luck. Since 1945 he has spent most of his time in Indochina and was apparently in intelligence or related fields most of the time. TUSPUB reports that (the first WILKINS rep in Hanoi 1951-52 was crushed in by an offer from subject to mount combined operations and was shortly afterwards declared persona non grata by the French.

3. Subject took part as a civilian in the Atlantic Operation, and, according to one report, went in with vast sums of money to make propaganda, buy off the opposition, etc. Idem B and WILKINS (Idem B) considered Idem A's accomplishment in Central Viet Nam among the few notable achievements in that area, particularly in respect to his contribution to the Vietnamese pacification program which he coordinated throughout the course of Operation Atlantic.

4. Subject is an old friend of Col. Jean Cardinal, former chief of WILLIAMS. He was for a time (June-August 1955) in the National Security Division, during which time he proposed to WILKINS joint operations—pool resources and experience—(similar to Hanoi proposal, above) but WILKINS refused, considered proposal pre-emption maneuver.

5. March-April 1954 subject approached Station and USCIB for military support for program to support nucleus of a people's militia (South Viet Nam) in the Red Truong area. Information and correspondence on this proposal will be sent upon request.
