SOURCE: Cuban national, A 13 310 159, age 20.

Miami, Fla.

Source was captured during Bay of Pigs invasion on 29 Apr 61. He served in Castillo del Principe Prison in Havana until he was ransomed and came to Miami on 23 Dec 62. Source was qualified as a radio operator and as a "forward observer" for artillery. He was trained in Guatemala prior to invasion.

1. Eloy Gutierrez Menoyo, who was a Major in Fidel Castro's revolutionary Forces (2d Front of Escambray) and who is variously in Miami or elsewhere in the US, is a Castro agent. He informed on 142 men in Cuba, many of whom are still in prison. I have also heard from many of my friends that he is sending information to G-2 from Miami, Fla. He has infiltrated in anti-Castro groups in the US and swears that he is against Castro, but I believe he actually is a trusted Castro agent and uses his anti-Castro activities as cover. Regardless of his apparent anti-Castro activities, he is definitely using or exploiting the gullibility of anti-Castro organizations and possibly the US government agencies as a front for what I believe are his true operations for Castro. I believe this man is involved in activities against the best interests of the United States and should be thoroughly checked. He informed on my brother, [redacted] during July 1959. My brother was captured in Aug 59 and served in prison until ransomed with me on 24 Dec 62. My brother arrived in Miami one day after I did. My brother and I are willing to testify in a court of law on the above allegation against Gutierrez.
2. (fnu) Padilla, who was an officer in the Isla de Pinos Prison in 1960 and who is in the US, possibly Miami, is a Castro agent. He is in his 20's and has typical Cuban (Latin) features. I do not know his complete name. Many of the people that were in prison told me that this "Padilla" was operating as a Castro agent in the US. I do not know when he came to Miami or any other information on this man other than the above.
3. Alexis Hernandez, alias "Al", is a Communist and is now a G-2 Lt at 5th and 14th (G-2 Hq) in Havana. Hernandez was a visiting professor of medicine at the University of Miami from 1958 to 1959. While he was
