" ... Mexico City has been the only  
major overseas reporter in the case. While  
this is partly dictated by the facts  
of Lee OSWALD's life, we have not  
overlooked the really outstanding performance  
of Mexico City's major assets and the  
speed, precision and perception with which the  
data was forwarded. Here it was relayed  
within minutes to the White House, ODTEID, and  
ODENNY."

" Your LI ENVIRONMENT data, the statements  
of Silvia DURAN, and your analysis  
were major factors in the quick  
classification of the case, blanketing  
out the resily ominous spectre of  
foreign backing."
