Anita: In view of arrival of recent correspondence on the AEMUSICAL case, I think it would be best if we retained the current files here at all times. However, I have made extracts from the only documents in my files which refer to SUMAN, and have included enough to make the extracts intelligible. Hope they are satisfactory.

I would suggest that you also try to get a look at Subject's file (i.e. AEMUSICAL/1's file) in CI/OA. The investigative reports may have something on SUMAN. The investigative material I have does not mention him except in one fleeting context: A psychological assessment we made on A/1 mentioned that among the people with whom A/1 had been particularly closely associated during his past was SUMAN. Merely mentions the name. No info on SUMAN.

If you need additional support, suggest you check with Les Ratz, [redacted] Desk, 1612 I, X-2619.
