QUMALT Defection

It will be recalled that QUMALT/1 defected in Paris in late March 1965, a defection arranged and supervised by [redacted] and was exfiltrated black to [redacted] by air immediately following the surrising press conference.

UNBOUND queried us on the case immediately thereafter and pressed the [redacted] for an admission that KUBARK had played a part in QUMALT/1's defection and, especially, his trip from France to [redacted]. We at first pleaded ignorance but on 7 April, BULLIECH presented UNBOUND/11 with the agreed upon cover story that QUMALT/1 had made his own way to [redacted] with false Latin American passports.

To sum it up, UNBOUND appeared to unhappily accept this cover story but probably did not believe it. BULLIECH opined that either UNBOUND knew the truth of the matter, via penetrations -human or technical- of KUBARK offices or residences, which UNBOUND certainly could not admit; or, they simply suspected that we were involved.

The current surfacing of QUMALT/1 name as connected with the AMLASH affair will almost certainly confirm to UNBOUND what they knew or suspected - that KUBARK was involved with QUMALT/1 at the time of his defection. Whether or not they can prove that [redacted] exfiltrated QUMALT/1 black from France is another question. In any event, they will know (if they believe the press concerning the AMLASH case) that we lied to them in March/April 1965.

Other revelations

Manuel Miralles Hernandez

We know (from USKAPU/9) that the French were (in 1964) interested in AMLASH/1 since they queried USKAPU/9 at least once about AMLASH/1 and knew that he was in the country. They were probably also aware of AMWHIP/1's trips to France and, by comparing timing, would discover the probable connection between AMLASH/1 and AMWHIP/1. Also, USKAPU/8 has always been considered as an UNBOUND or UNION informant and USKAPU/8 was aware of AMLASH/1 in Paris and of AMLASH/1's connections with USKAPU/9, AMWHIP/1, and, probably, AMLASH/2 and 3. USKAPU/8 may have kept tabs on AMLASH/1 on behalf of the French since as early as 1962/3. This, however, is only speculation.

As a final note, I mention that I surfaced the name of USKAPU/9 as a Cuban acquaintance to the UNBOUND official who interviewed me in July 1965.
