1. Reference dispatch is correct in advising that Subject is listed as Third Secretary in the Mexican Diario Oficial.

2. However, it should be noted that Subject's GRU designation, as made by the Station, is based on the following information and factors:

a. During Subject's previous assignment to Mexico, his overt position and activity was that of distributing films to various local individuals, groups, and organizations requesting same. The identified GRU officer, Valentin Vasil'yevich BAKULIN, replaced Subject in this overt function. When Subject came to Mexico for his present assignment here, he replaced BAKULIN in this overt function. Additionally, he took over BAKULIN's diplomatic plate vehicle and has an office in the Military Attache quarters. *this was later found to be not true.*

b. A recent tabulation-analysis of Subject's contacts with Soviet Embassy personnel in the compound during the past six months does not indicate an exclusive or near exclusive association with identified GRU personnel. However, the tabulation does indicate somewhat more association with GRU officers than with KGB or unaffiliated staffers.

- 11) Subj and family returned to Mexi 18 Sep 62. (IN 27226 MEXI 2003, 23 Sep 62)
12. BAKULIN told ODENVY [redacted] that he (Sov) had travelled to San Diego with [redacted] (Could BAKULIN's story of trip to San Diego be CP Test of ODENVY DAY?)
13. MEXI 6031, IN 13138, 5 Sep 63: BAKULIN met LINEB-1 on 3 Sept 1963. Bakulin stated there had been a change of "DIRECTOR" (believe he means Chief GRU) and he had been working very hard, from early morn to late eve. "I have been doing everythin and I have to be very careful after what happened to PENKOVSKIY. Seven of us have already left the Country. I don't want to be expelled, "They" have doubled the "Vigilancia", It's better for you not to show for meeting if something happens, I don't want to put you in Danger." BAKULIN said there possibility that alternate Soviet would meet LINEB-1, using name of Nikolas. LINEB-1 suggested that if subject working so hard he must have gotten a Promotion. BAKULIN said he had indeed gotten a Promotion and a good one.
14. Subj. indicated to Agent LAROB that their 30 Sep 63 meeting may be last one; Subj. mentioned that he may be transferred, possibly to Ethiopia. (DEA 54662, 7 Oct 63)

Subject's replacement will probably be snu ZHURAVLEV (Viktor ZHURAVLEV ?)
MEXI 7439, 18 Dec 63.

Subj and family left PCS 12 Jan 64. MEXI 7762, 14 Jan 64.

Subj. replaced by Viktor Lukich KHUKHOREV (based on Subj's description to LINEB-1 of his replacement). MEXI 7733, 13 Jan 64. Lineb's intell identified ZHURAVLEV as his new boss from photo [redacted].

Hq Comment: Above comment that Subj's replace will be snu ZHURAVLEV probably based on FI/D info: as of 11 Mar 64 no indication that a snu ZHURAVLEV has arr'd or will arrive in Mexico City. (possibly the assignment was cancelled.)

Above comment that Subject replaced by Viktor Lukich KHUKHOREV. not yet resolved as LINEB has not met his future case officer. KHUKHOREV is a diplomat, whereas Subject was an employee in MA's office. As far as overt position in the Embassy is concerned, Subject was probably replaced by either Yuriy Alekseyevich MITROPOLSKIY (who previously employed by GRU in Germany) who arr'd 18 Feb 64, or by Konstantin Fedorovich VORONKOV (previously in MA Office in Paris) who arr'd 3 Mar 64.

Excerpts from LAROP file re Subj:

1. BAKULIN came to T-1's automobile carrying a bottle of Mexican gin and a bottle of Coca Cola. BAKULIN entered T-1's automobile and poured a drink into a plastic glass which he offered to T-1. T-1 refused and BAKULIN drank it himself. (Bureau report dated 23 May 63) LAROB Op.
2. BAKULIN reminded T-1 of the day (April 11, 1963) when BAKULIN had come to T-1's home and had drunk some brandy. BAKULIN stated that, after he left T-1's home, BAKULIN's associate, who was waiting for BAKULIN, decided that BAKULIN was too drunk to attend a meeting with BAKULIN's superior and took BAKULIN to Cuernavaca, Morelos, Mexico, to sober him up. BAKULIN stated that, as a result, when he did confer with his superior he received a very severe lecture. T-1 noted that, during the period when BAKULIN was making these comments, BAKULIN was extremely nervous. (Bureau report dated 23 May 63) LAROB Op.
3. BAKULIN stated that T-1, sooner or later, would be introduced to someone else who would be the replacement for BAKULIN when BAKULIN receives another assignment. BAKULIN requested T-1 not to mention BAKULIN's drinking or the comments that had been made to T-1 by BAKULIN on a confidential basis. T-1 assured BAKULIN that he had nothing to worry about in this regard. (Bureau report dated 23 May 63) LAROB Op.
4. BAKULIN appeared at the home of T-1 on the evening of November 11, 1962 at about 8:00 p.m. BAKULIN appeared to have been drinking and, while talking to T-1, drank five glasses of brandy. (Bureau report dated 16 Nov. 62) LAROB Op.
