MEMORANDUM FOR:   
DCI/IRO

FROM: Barry Harrelson  
JFK Project Leader

SUBJECT: (U) "The Office of Inspector General  
January 1952-December 1971"

(U) The Presidential Assassination Review Board staff has asked to read the subject document for possible relevance to their work, for the period covering June 1962 to December 1964. We have selected the attached segments as falling within the bounds of their request.

(U) We would like you to obtain permission from the IG for this purpose. In the unlikely event that we are requested to declassify the documents for the assassination record then that becomes a different ball game, subject to further review. As you know the staffers we deal with are fully cleared.
