MEMORANDUM FOR:

FROM: J. Barry Harrelson
JFK Project Officer

OFFICE: OIM/HRP

SUBJECT: Marina Oswald's Original 201 File

REFERENCE:

ARRB has requested that the all original files of the Oswalds be transferred to NARA's JFK Collection by 30 Sept. A copy of Marina's 201 minis the FBI documents exist in the microfilm part of the sequestered collection, and a releasable version has been prepared for transfer to NARA. Since the original file contains both CIA and FBI documents some of which are still be classified, the current plan is to put the entire original file into the protected part of the collection. HRP will keep a complete copy of the file. At a later date a joint CIA-FBI team can review the file to determine if it can be released in full. I will confirm this with Steve Tilley at NARA. Let me know soonest if you have any problems with this approach.
