DISPATCH **SECRET**

TO Chief, Western Hemisphere Division	X	NO INDEXING REQUIRED ONLY QUALIFIED DESK CAN JUDGE INDEXING
FROM Chief of Station, Mexico City		MICROFILM
SUBJECT <u>Liaison</u> Knowledge of the <u>KDAFGHAN</u> Operation		

ACTION REQUIRED - REFERENCES

Reference: HMMW-18660, 20 October 1971

As a result of the Warren Commission proceedings, Liaison (and the rest of the world) know that JKLANCE has photographic coverage of the Cuban Mission. However, to the best of our knowledge, no one knows where it is or who does it. This is confirmed by KDAFGHAN photos showing Cubans, and others, shaking their fists at a house which is not the KDAFGHAN site. In our request to Liaison to remove the offending traffic sign, Headquarters may be assured that we did not tell Liaison the true reason for our request. They were told that it sometimes interfered with physical surveillance. Liaison in turn gave the same request to the appropriate contact in the traffic police, using the explanation that their surveillance team wanted the sign removed.
