AMENDED COMMENT

This document was denied. The document is principally concerned with repeating information received from the FBI which in turn received the information from a foreign liaison security service under an agreement of confidentiality. Because of the potential damage to liaison, as well as foreign diplomatic relations should this information be released, the FBI has requested that all of the information be withheld under the authority of exemption (b)(1). Other portions of the document which contain information primarily of interest to CIA are also withheld including comments on the substance of the FBI information which if released would lead to the disclosure of the information the FBI seeks to protect, information concerning the existence of an Agency station in a specific city abroad, Agency internal filing instructions, Agency components, Agency staff employees and Agency cryptonyms. The document is therefore withheld under the authority of exemptions (b)(1), (b)(2) and (b)(3).
