## ASSASSINATION OF SENATOR ROBERT F. KENNEDY

In addition, each of Sirhan's four brothers was interviewed by Special Agents of the Los Angeles Office of the FBI on June 13, 1968, at which time they advised Sirhan has never left the United States since his arrival in 1957. They pointed out that the word Abu Khatar, meaning "is the father of Khatar," is a term not used by Christians and that the Sirhan family is Christian.

The Department of State has advised that it has received no communication from any country in the Middle East relative to the aforementioned matter. According to the Department of State, information was received from the American Embassy in Tel Aviv, Israel, to the effect that a United Press International correspondent had reportedly talked with Sirhan's father in Jordan who stated that to his knowledge Sirhan never married and the other details contained in the original story of June 13, 1968, are highly improbable.

According to the Department of State an attempt was made by that agency in London to contact Jon, also known as John, Kimche with whom this story originated. Kimche refused to identify his source but reiterated his source is usually reliable. According to the Department of State he seemed unimpressed by the possibility this might be a simple case of mistaken identity.

Kimche, according to the Central Intelligence Agency, is an able, unscrupulous free lance journalist in London who apparently supports official Israeli Zionist lines in his work. The Central Intelligence Agency reports that during early 1968 there were strong protests from American Government circles in London against his articles which appeared to be aimed at destroying relations between the United States and Arab countries.
