that the JURE and FUL agree that should one or the other, Cuban or Haitian, governments fall, the other will consider the fight for the other's independence as an "extension" of their fight for liberation and lend all help possible to bring about the overthrow of the existing dictatorship. *u*

SJ T-4 advised that the only Haitian group known to be presently operating in Puerto Rico is the FUL which was organized on August 12, 1963. The membership of this organization at present consists of three persons, namely GEORGES LACOMBE, FREDRIC BESSON and RAYMOND CHAMPANA, all Haitians residing in Puerto Rico. BESSON and CHAMPANA have not been active in the FUL nor have they indicated they desire to do so. *u*

SJ T-4 stated that there are approximately 70 Haitians residing in Puerto Rico, including men, women and children. Of this 70 about 20 or 30 are students attending school at the Mayaguez, Puerto Rico, branch of the University of Puerto Rico. Because of the limited number of Haitians residing in Puerto Rico no group has been successful in organizing an anti-Haitian group here. *u*

"Only a minority of the militia are with FIDEL. Eighty per cent are against the Red government of Cuba.

"Free Cuba will be the example as the leader against fear and misery.

"In the past three months there have been more gains made for the liberation than in the past three years.

"We are close to the Haitian revolutionaries because whichever of the two democratic revolutions is victorious - against FIDEL or DUVALIER - they will continue the struggle of their friend as though it were their own.

"The professional armed forces will be restored.

"We will protect and sponsor the freedom of the professor and education.

"The militia and all the extraordinary bodies of repression will be abolished."

This article from "La Tribuna" was captioned "We Will be on Cuban Soil Before May 20, 1964, says MANUEL RAY."

On August 27, 1963, SJ T-6 advised that he also spoke at the meeting of JURE, at which MANUEL RAY was the principal speaker, at Newark, New Jersey. SJ T-6 advised that the meeting took place in the auditorium of assembly hall adjacent to St. Joseph's Church in Newark, New Jersey, and was church property. SJ T-6 also advised that a meeting of JURE was also held in New York City, with RAY as the main speaker at about the same time as the Newark meeting. (S)(U)

SJ T-6 stated that JURE has five leaders in this country and four in Cuba. Each one of the leaders are situated in different provinces. He stated there are nine leaders in all which constitute the ruling body of JURE. (S)(U)
