JOHN CASSERLY (protect identity), correspondent for the American Broadcasting System who is known to this office, advised on July 11, 1965, that RIVERO is currently living with MITCHELL WARBELL. *Madison, Florida*

This source advised that RIVERO is notoriously known as a "wheeler dealer." He has a number of different businesses all concerned with automobiles and automobile insurance. He has associated with BARLETTA who had the General Motors franchise in Havana, Cuba, for many years.

Source stated that RIVERO has a pleasant personality but described him as a heavy drinker and stated that RIVERO would do anything for money. He advised that RIVERO's wife is one EVANGELINA HERNANDEZ, a Cuban national. He further stated HERNANDEZ has relatives in Miami, Florida, and makes frequent trips to Miami. He advised RIVERO allegedly was mixed up in gambling enterprises but added that he had no proof of this.

Inasmuch as RIVERO is reported to be extremely loud mouthed and inasmuch as he is currently reported to be living with MITCHELL WARBELL,

no further action is being taken with reference to developing this individual as a PSI. (u)
