DL 94-55A-SUB

Safety, Dallas. BARBARA conned NICOLOGIO into giving her his .38 caliber snub-nosed revolver in that she "was afraid of prowlers". BARBARA is closely associated with CALVIN BRIGGS HAMEL, aka. Buddy, Dallas PD # 37665 and BOBBY GENE GRUBBS, Dallas PD # 31898. These persons along with several other Dallas police characters and prostitutes such as CURTIS DORMAN PAULK, LAVONNE "DUTCH" NEWSOME, DOUGLAS "DOODLES" DUNCAN, VERA VANDIVER, JUDY ORMAND, have a "pad" where they party and use narcotics. According to Lt. REVILL's informant BARBARA obtained information concerning the activities of CAMPISI from PATRONO and then furnished HAMEL and GRUBBS this information along with NICOLOGIO's gun. Lt. REVILL has, through his own sources, gotten information to CAMPISI, without furnishing any names, that he was "set up" by a person very close to him.

In connection with this on 7/9/62 DL-95-C had advised that GRUBBS was now closely associating with ALBERT JACK FLETCHER, aka. "Little Jack", Dallas PD # 47933. Dallas PD Intelligence Reports show HAMEL was last known to be driving a 1957 Buick, Texas license ED 8504. Intelligence Section also ascertained this group has a source for dynamite to be used in burglaries and identified source as one FRED HALL, an employee at the Republic Air Conditioning Company, 6210 Denton Drive, Dallas.

On 7/12/62 Bureau Agents, while at the Egyptian Lounge in an effort to interview CAMPISI concerning the above, observed JOSEPH FRANCIS CIVELLO (DL 92-36) at the restaurant. CIVELLO was then interviewed in accordance with Bureau interview program and during this it was noted he stated he was quite sure that CAMPISI had been set up by someone close to him. CIVELLO was advised by the Agents that they had determined the identity of this person as well as the identities of the persons who committed the robbery, but did not furnish CIVELLO these names. It was noted CIVELLO was most cordial throughout the interview and although he didn't furnish any pertinent information, it was believed further contact with him might possibly be productive and such contact is contemplated by Dallas.

DL 94-55A-SUB

RE: BOBBY JOE CHAPMAN, aka.
IGA (DL 162-107)

On 7/9/62 Lt. REVILL stated he had heard that CHAPMAN and THEO GILLAM had lost \$10,000 and \$17,000, respectively, recently in gambling on golf matches at the Tennison Golf Course, Dallas. On 7/9/62 DL-95-C advised that CHAPMAN had recently lost \$15,000 on a golf match and so far this year has lost \$25,000 playing poker. CI had also heard that CHAPMAN had recently won \$25,000 in a golf match in which he and JACK KELLER (DL 162-133) had taken this money from Dallas car dealer and gambler "RED" BANKSTON. On 7/10/62 CHAPMAN was interviewed at the Dallas County Jail in accordance with Bureau interview program and although background information was obtained, CHAPMAN refused to furnish any other information upon the advice of his attorney. The above information was furnished to Lt. REVILL and Deputy Sheriff BOB MORGAN, Dallas SO on 7/10/62.

RE: WILLIAM MEADOR SMITH, aka.
et al, ITWI, Etc. (DL 165-29)
JOHN ELI STONE, aka.
IGA (DL 162-37)
ISADOR MAX MILLER, aka.
IGA (DL 162-96)

On 7/9/62 DL-95-C advised that subject DAVIS had recently returned to Dallas and was hanging out every afternoon at the University Club where he was associating with GEORGE W. OWENS, JR.

On 7/10/62 while Bureau Agents were approaching the apartment where WILLIAM RAY DAVIS (DL 165-29) resides, with the intent of interviewing DAVIS concerning his knowledge of the fixing of SWC basketball games, Agents observed DAVIS and his wife depart from the apartment house in DAVIS' car and observed them go directly to Love Field, Dallas. DAVIS left his wife at the airport and he checked into the Delta ticket counter. The Agents intended to interview DAVIS when he had finished his business at the ticket counter

MISCELLANEOUS INTELLIGENCE
INFORMATION OBTAINED DURING PAST WEEK

On 7/9/62 DL-95-C furnished the following intelligence information:

1. EDDIE TOM GREEN (DL 92-360) is closely associating with bookie J. D. TURNER, a bartender at the St. George Hotel, and with bookie GLENN ERNEST BURNETT. BURNETT is also making weekly trips to Tyler, Texas to participate in a dice game operated by an individual named "COWBOY". Cowboy's wife, PAT, is employed as a barmaid at the Eldorado Lounge in Dallas. GREEN's associate, MARVIN SELLS, is presently employed as a used car salesman at the John Taylor Used Car Lot, Ross Avenue, Dallas, which is a suspected meeting place for gamblers and hoodlums.

The above information was furnished to Lt. REVILL and Deputy MORGAN 7/10/62.

2. Dallas hoodlum NICK CASCIO can be seen at a Dallas gambling club, the Redman Club on West Davis every Sunday afternoon.

The above information was furnished to Lt. REVILL and Deputy MORGAN on 7/10/62.

3. ALBERT MEADOWS (DL 162-109) has also recently been observed by informant at the Redman Club where he was attempting to locate MARVIN RALPH PRESTRIDGE, a Dallas police character. The Redman Club is operated by SHERMAN FRANKLIN LITTLE (DL 162-129) and PRESTRIDGE along with GLENN ERNEST BURNETT had been known to work as bookmakers for LITTLE in the past.

The above information was furnished to Lt. REVILL and Deputy MORGAN on 7/10/62.

DL 94-55A-SUB

DILLON upon his release on bond in Kansas. He requested that his wife never know he is furnishing information concerning DILLON. FUQUA's wife also stated that for remuneration she would furnish information concerning DILLON. This matter is being pursued intensely by the Dallas Office and individual contact will be made with both FUQUAs upon their return to Dallas.

RE: FORT WORTH POLICE DEPARTMENT
FORT WORTH, TEXAS (DL 80-255)

LEONARD DORSETT, ex-patrolman, Fort Worth PD, advised SA JOSEPH M. MYERS on 7/10/62 that he had filed a notice of appeal with the district court in Fort Worth to obtain a fair hearing in connection with his firing by the Fort Worth Civil Service Commission.

DORSETT stated that the head of the Internal Security Squad of the Fort Worth PD, Sgt. HOPKINS, had approached DORSETT recently and obtained from DORSETT information regarding allegations which DORSETT had in his possession. HOPKINS told DORSETT that he intended to pursue these cases and if officers were involved they would be fired. DORSETT stated HOPKINS advised him that one of the officers that the "brass" was after in the Fort Worth PD was Captain J. B. DERDEN and they also intended to get rid of patrolman G. R. BRUNSON who testified against DORSETT.

PCI ANDY BRYAN advised SA JOSEPH M. MYERS on 6/27/62 that he had checked records of the Tarrant County District Attorney's Office and had learned that Captain DWIGHT JOHNSON of the Fort Worth PD, during the time that JOHNSON was liaison man between the PD and the Tarrant County District Attorney's Office, did not receive any monies from Tarrant County and must have been paid by the Fort Worth PD.

This information is of benefit to the IRS who is conducting income tax evasion case on JOHNSON due to the fact that IRS believes that JOHNSON deducted from income tax return travel expenses which he states he paid but which were paid for by either the Fort Worth PD or the Tarrant County
