IV. Criminal Activities

CG T-4 advised on June 7, 1965, that he had reason to believe that ALEX is active in "fixing" and in this connection is frequently in close contact with JOE BULGER, well-known attorney for the hoodlums.

CG T-2 advised on June 17, 1965, that GUS ALEX has first count on the policy money from the South Side policy operations.

V. Travel

By letter dated June 9, 1965, Chicago received information that the Swiss Police sources have furnished no information concerning SUZANNE FUEGER in recent days. It should be noted, however, that unless the exact dates of arrival or departure from Switzerland were provided, it would be virtually impossible for them, the Swiss Authorities, to confirm FUEGER's presence in this country.

By letter dated June 17, 1965, Chicago was advised that on June 15, 1965, the Criminal Police of Paris, France advised that following an extensive search of their records, French Customs Authorities have been unable to locate any record that FUEGER declared three mink coats and jewelry at the time she entered France. It was felt that these belongings apparently were not questioned and no record was made at that time when FUEGER was in possession of them.

CG T-5 advised that FUEGER returned to Chicago on the evening of June 24, after having been in Europe since May 13, 1965. Her exact whereabouts while in Europe are unknown. This informant further advised that ALEX made plans for a big trip shortly after FUEGER left, and is of the opinion ALEX had intended to join FUEGER in Europe but cancelled these plans due to the serious illness of his mother. CG T-5 also advised he believes ALEX is near a nervous break down.

VI. Gambling
