Subject: final determination forms
Per the discussion in Wednesday's staff meeting, Kevin is preparing final determination forms for the FBI documents addressed in the November Board meeting. Right now, the forms are printing out a year (e.g., "2017") without a month or any explanation (e.g., "Release Date," "Next Review Date"). Kevin tells me he can manipulate the data to get it to print out however we like, but as a substantive matter I'm not sure what the forms should say at this field. Please advise.
