**Subject:** Helped needed on final determination forms for March meeting documents  
I am in the process of preparing HSCA documents associated with the March '96 meeting for transmission to Tom and then NARA II. I've encountered the following problems which you might be able to help me with: 1) The "NARA Coversheet - HSCA" macro (which I need to run for 71 consent releases associated with the March meeting) kicks out a meeting date from January, rather than the March meeting date, and, 2) The HSCA-SSN Final Determination Form, which you devised some time ago, seems not to be working anymore (or maybe I'm just doing it wrong). I need it for one of the two documents of mine the Board voted on that meeting -- one of those cases where there were multiple SSN redactions (37, in this instance) for which I did not do individual postponement forms. Thanks for your help!
