Subject: Re[2]: Assassination Bd

What do you think? Should they address letters to Jack (and then we forward them)? Or should we have them address them to specific members?To: David_Marwell @ jfk-arrrb.gov (David Marwell) @ internetcc: (bcc: David Marwell/ARRB)From: kermith @ HUMANITIES1.COHUMS.OHIO-STATE.EDU @ INTERNET @ WORLDCOM Date: 03/01/97 08:59:16 AM CSTSubject: Re[2]: Assassination Bd David, to whom should the letter(s) be addressed? Assassination BdAuthor: Arnita Jones <arnjones@indiana.edu> at SMTPLINK-Humanities Date: 2/28/97 3:48 PM I'm sure the OAH would want to support the extension if you recommend it - I'll go ahead and put it on the agenda of our executive committee. If you would like to draft something please go ahead. On higher education--its a worrisome thing, isn't it. I worry because college faculty are our market, and I'm not sure what that market is going to need from professional associations in the coming years. But, beyond that, I think many aspects of higher education we all cherished are being lost. Ah... but its a brave new cyberworld out there. AJ
