Subject: Veciana

Manuel:I called Veciana's store and got a woman with whom I had left a message before. She said that Veciana and his son were not there. The father is not on a regular schedule and is always going between the three stores. I left another message for him that I called. The woman suggested that I might catch him at the store around 10:30 - 11:00 a.m. I will try again tomorrow. I do not expect Veciana to do anything to further our efforts. If he is in the store when I call, he may talk to me. Then again, I get the impression that he may not.I will call again tomorrow. If I have no luck, I'll talk to David about issuing a subpoena to get things moving.I'll let you know.Tom
