**Subject:** Congress and the Zapruder Film

Jeremy:I have thought about your suggested approach of a low key informing of the appropriate parties in the Congress. This would most likely occur through letters from us to the people we identify on the Hill who should be informed. I agree with the approach. However, because Jack has been involved in, and has been sensitive to, Congressional matters, I would want us to consult with him before we initiated any contact with the Congress on the Zapruder film. I will leave it to your discretion with regard to bringing this matter to the whole Board.Tom
