**Subject:** Matt Fulgham Memo on HSCA Tapes

Kevin:I have just had an opportunity to read Matt's memo this morning. If you have not already done so, please share the memo with Jeremy and Bob. I suggest that we should inquire with the CIA about the tapes that have been referred to them for a long time. In addition, do you know what agencies have the other tapes that are referred or how long they have had them? Perhaps you could inquire of Matt who has what and for how long.Thanks for getting a read on the tapes. Researchers are interested.Please let me know what you think.Tom
