**Subject:** Warren Commission Records  
We have a meeting set for 1:30 on Monday, January 26 at NARA II. By that time, Sydney should have compiled all ARRB information on the status of Warren Commission records. Steve will be compiling all his info on the same issue. By the end of that meeting, we should be completely clear on where we stand with all WC records and be prepared to take action. My current assumption is that Sydney and Kim will attend the meeting with Steve. I presumably will go as well. Others should be on standby.
