Subject: Posner records?? data?? PLEASE RELEASE

Please take whatever action, including legal and lawsuits to get all data related in any way shape or form associated with the JFK case, including interviews, statements, recordings, etc etc years later by any person, in any capacity that has anything to do with the case. Mr. Posner must be forced to turn over any statements, accounts, notes, etc. as concerns his alleged interviews, etc. As one of the 87% who doesn't believe the Warren Comm., I urge that TRUTH go out. Sincerely, A. Canals
