Martin:It was fraud that George Bush did not disclose his relationship to deMohrenschildt while signing into law the JFK Review Board Act. DavidMarwell worked for the Reagan administration while Bush was vice-presidentis an important issue. I don't know the whole story to this issue. Butsomeone may know more than myself. All I am doing is pointing it out. Canyou tell me why the JFK Review Board has ignored the George Bushconnection. Surely Clinton has?No offense.Bruce Campbell Adamson
