Subject: hi

We rec'd an e-mail from Jim Page (you have a copy) that requests info on Mary McAuliffe's trip to the South. Jeremy asked me to draft an informal response and to have you send it (in your capacity as PR Department Head). Here is an informal response, approved by Jeremy. Dear Mr. Page, Thank you for your e-mail yesterday. It seems as if there may be some mistake in the information you received. Mary McAuliffe worked on CIA matters and would not have travelled on official business to Florida or to Louisiana. However, we have had some success in obtaining records from the New Orleans Metropolitan Crime Commission and from former New Orleans District Attorney Jim Garrison's investigative files. We continue to pursue other local records and hope to make them available to the public as part of the JFK Assassination Records Collection at the National Archives and Records Administration, located at College Park, Maryland. Sincerely, Eileen Sullivan
