Subject: Rockefeller Commission
Eileen,I am using a friends e-mail, but I will soon have my own account. Thankyou for checking into the Rockefeller Commission documents. There is onein particular that I am looking for. It is the deposition of RichardHelms, taken on 4/24/75, and is 35 pages long. The record number is178-10002-10093. The record series is Schwarzer-Manfredi Files, and theagency file number is S-M (IV-EE) Richard Helms (3 of 3). It has beenclassified top secret. I hereby request that, if this document is in thematerial to be reviewed by the board, it be considered for release.Judging by the topics listed on the RIF, I believe this document is veryimportant.Thank you for your help on this matter, and my new e-mail address will beon the way soon (I hope).Shawn M. Hanneman
