Subject: Possible Dallas Interviews

Doug: Taguel do think Tague is worth another try. From what people have told me, he has been very hard to contact of late. I will try to call first and then see if I can see him when I'm in Texas (if he lives close to Dallas). Tippi! don't have all the background on the Tippit autopsy materials matter, but I got the note you had given to Eileen. It sounds like, if I have it correctly, first, there is work that has to be done reviewing FBI reports on Tippit. If it is then appropriate to contact Rose, I suggest, based on my experience, that he should get a letter first and then a phone call. If you think it also requires me trying to see him while I am in Dallas, please advise. Let me know if you want to talk about it. Tom
